October 7, 2021

Warrior Athletics Off to a Fast Start!

As we enter the month of October, our athletic teams are showing great promise. Our softball and volleyball teams are gearing up for region and state playoffs while football, cross country and competition cheer are at the mid point and are pushing for a strong finish to their seasons.

This year, I want to get more involved with our teams which has led me to join them at their practices. You can see all of the fun we are having in pictures and video from Twitter at the bottom of this issue. I plan to continue to join our teams during the winter and spring sports seasons.

We still have home games this fall so we hope to see you at Oconee County High School soon!

Please do not hesitate to contact me if I can ever be of assistance.

GO WARRIORS!
