DATA PROJECT

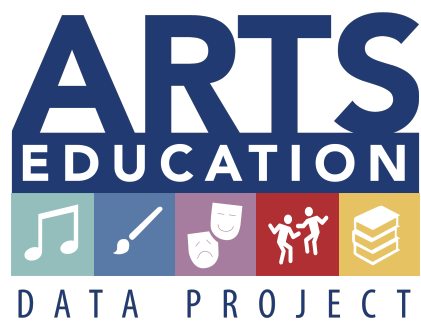

QUADRANTRESEARCH.ORG

Project National Funders Include:

The Music Man
Foundation

NAMM[®]
Foundation

About the Project

- ❖ Based on working with existing data acquired by state departments of education.
- ❖ Developed over the past twenty years working with various state and federal agencies.
- ❖ Currently operating in 31 states (65% of all students) with at least 8 additional states in development for end of 2023 representing 87% of all students).

The data is not the end...

It is the means to an end!

**Increase access to,
and participation in,
music and arts education
for ALL STUDENTS
across the nation**

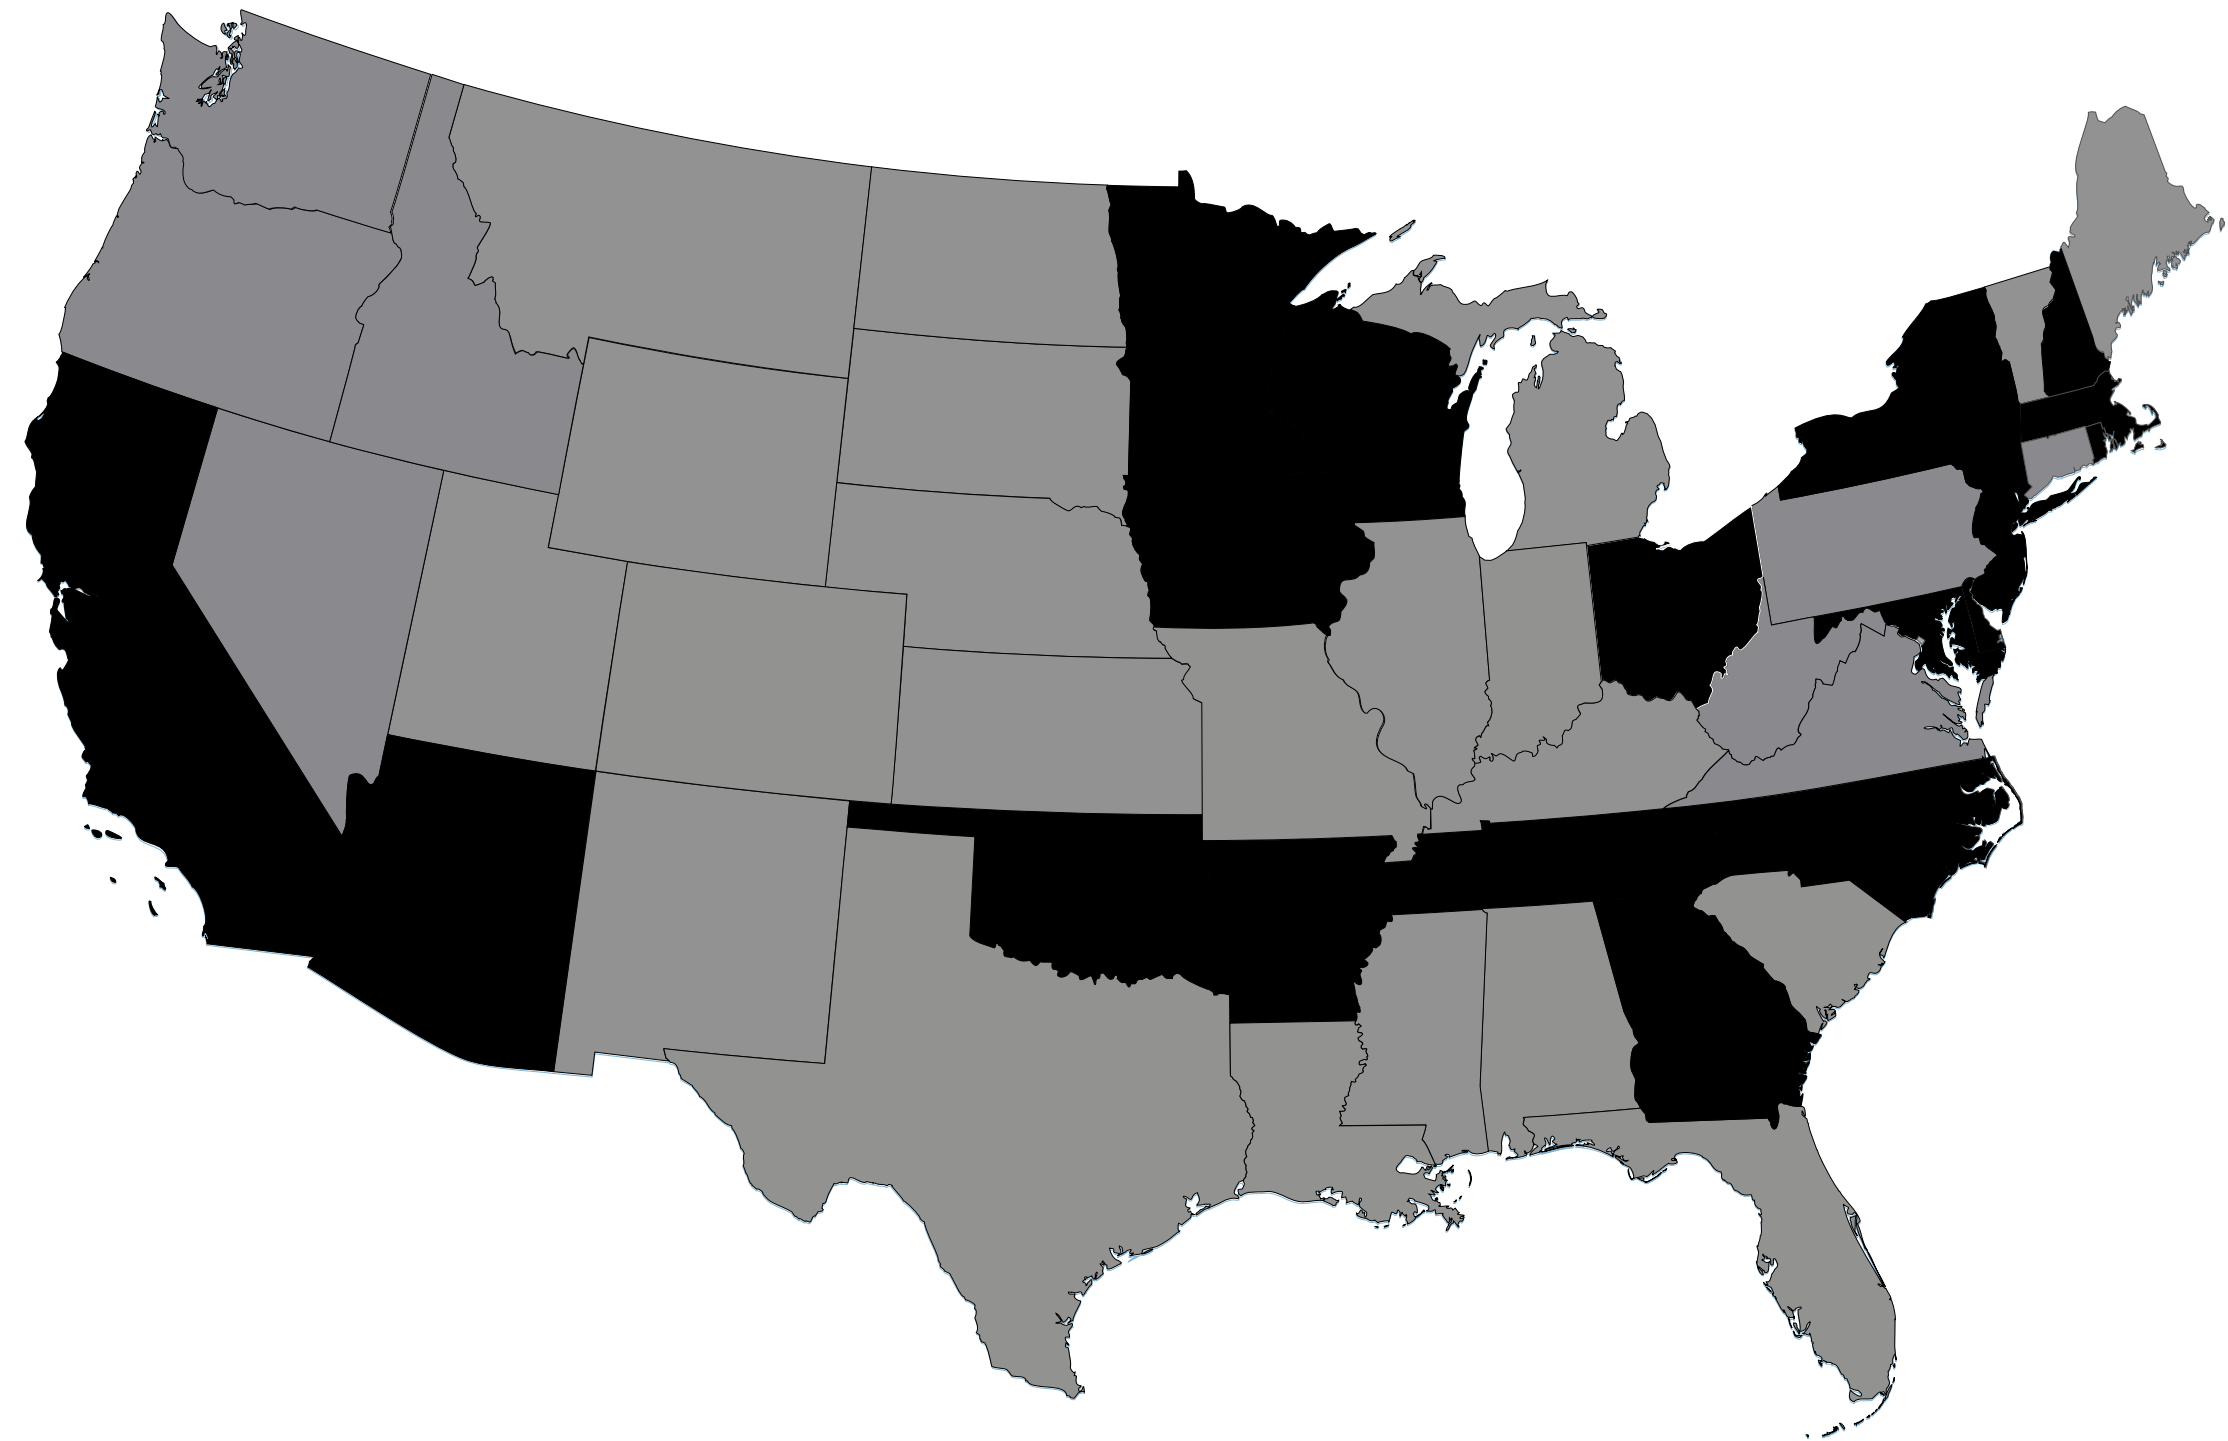

NATIONAL ARTS EDUCATION STATUS REPORT

National Arts Education Status Report Summary 2019
