Coaches Education

A RENEWED APPROACH

HOW DID IT BEGIN ?

- WIAA commitment to Coaches Education 20+ years
- 2019-20 changed the way we offered Coaches Education - New Technology
- Relationship with UW CLA continued to grow as we explored how to best serve our member schools

 2022-23 FinalForms + NFHSLearns + UWCLA = game changer

IMPACT OF COACHING EDUCATION

PLAYING FOR A TRAINED COACH IS CORRELATED WITH:

- Higher levels of enjoyment
- Motivation & increases in self-esteem
- Lower anxiety
- Gains in social-emotional development
- Lower rates of injury
- Less conflict between teammates
- Athlete retention

NATIONAL LANDSCAPE

COACHES DO NOT RECEIVE ADEQUATE TRAINING.

- Coach training is **not regulated** at a national level.
- **5-10%** of youth coaches nationwide report receiving relevant training (NAYS, American Coaching Academy).
- **Only six states** require training in human development, development psychology or organization management for **school-based coaches** (Aspen, 2021).

WASHINGTON STATE COACHES

OUR STATE MIRRORS THE NATIONAL LANDSCAPE.

- **Only 4% of coaches** in King County reported being required to have coach training in positive youth development strategies prior to starting a coaching job (Aspen, 2019).
- Coaches in WA report **leadership development, life skill development, mental health, & team dynamics** among topics of highest interest (National Coaches Survey, 2022).
- 71% of coaches in WA report having been **evaluated zero or one time** during their last season (National Coaches Survey, 2022).

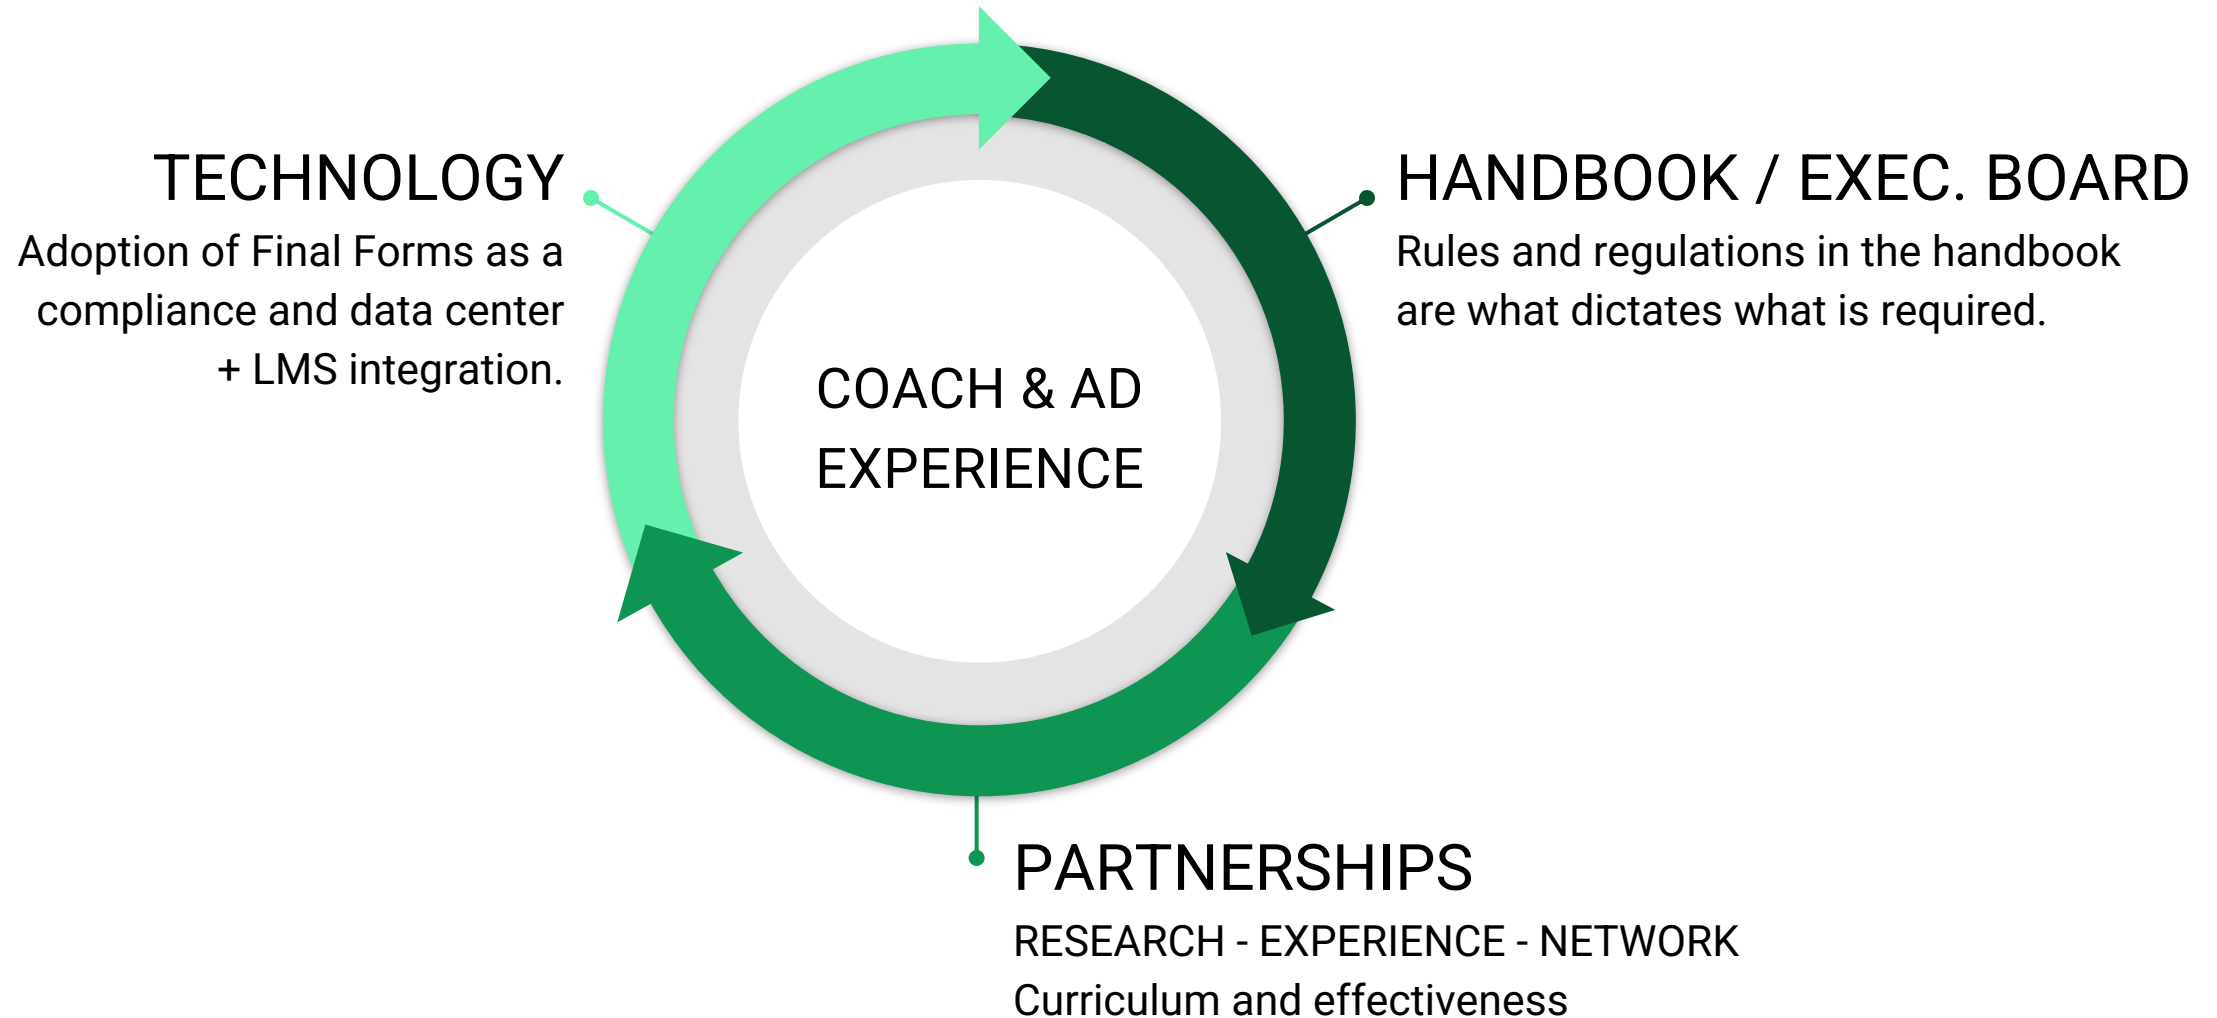

THE PICKLE THAT WE ARE IN

LOCAL NEEDS, GAPS & CHALLENGES + DISCUSSION

- **Our WHY** - Handbook language suggests that Coaches Education is important and includes a variety of relevant topics. Challenging for schools
- **Finances** - Coaches Education has a cost associated. Schools are limited in funding and time to create educational opportunities.
- **Technology** - Old system was unreliable - FinalForms provides opportunity for reliable syncing, automation and timestamping.
- **Coach / AD Experience** - We are listening.

THE OPPORTUNITY

STRATEGIC PLAN

WIAA Executive Board

Coaches play an integral role in the delivery of education based activities therefore we must expand, solidify and seek out methods of education, expectations and documentation with regards to coaches education.

STRATEGIC PRIORITIES

FOUR AREAS OF FOCUS

- **Research based, quality education**
 - *Partnership with the UW CLA and NFHS Learns*
- **Equitable access to all schools, all coaches**
 - *WIAA working on funding model that does not require per coach fee*
- **Easy to navigate, use, report and monitor**
 - *Using technology partners : NFHS Learns and FinalForms*
- **Impact the culture of sport**
 - *Curriculum, Research and National access*
