105th SUMMER MEETING

Conference Program

JUNE-JULY

28 | 1

2024

HOSTED BY:

Boston Marriott Copley Place | Boston, Massachusetts

#NFHSinBeantown

Welcome

Welcome to Boston!

The historic sights and sounds of the “**The City on a Hill**” will serve as the backdrop as the NFHS cordially welcomes you to its 105th Summer Meeting. The weeklong conference will be held at the Boston Marriott Copley Place.

In addition to its many workshops and educational opportunities, the Summer Meeting also enables you to network with your state association colleagues from across the nation.

The Summer Meeting Advisory Committee and the NFHS staff – along with the assistance of the Massachusetts Interscholastic Athletic Association Host Committee – combined their efforts to create a conference that includes outstanding professional speakers and presenters, awards presentations and numerous opportunities for professional growth. Altogether, 35 workshops are offered in five sessions during the conference.

Karissa Niehoff
NFHS Chief Executive
Officer

Tom Keating
NFHS President

The Summer Meeting kicks off with the 16th annual National High School Spirit of Sport Award ceremony and the 11th National High School Heart of the Arts presentations on Friday, June 28. The Third General Session will take place on Saturday, June 29, featuring a panel presentation on The Platform of Interscholastic Athletics in Growing Courageous Leaders followed by the Fourth General Session featuring Howard Tullman, General Managing Partner of G2T3V, LLC. The Fifth General Session on Monday, July 1, will feature Eric Boles, CEO and Founder of The Game Changers, Inc., a noted global expert in talent development, business strategy, change management, cultural transformation, and peak performance. The always informative Legal/Sports Medicine Workshop will be held at 2:15 p.m. on Monday, July 1. This event provides an ideal opportunity to discuss current legal and medical issues, as well as an open exchange among the attendees. Enjoy yourself and help raise money for the NFHS Foundation on Sunday, June 30 as the 29th annual NFHS Foundation Fun Run/Walk will be held at 6:00 a.m. Participants should meet on the Second Floor (outside of Yard House restaurant) of the Boston Marriott Copley Place by 5:15 a.m. for departure.

At the NFHS Hall of Fame Banquet on Monday, July 1, the NFHS will induct 11 exemplary individuals into the National High School Hall of Fame. As in years past, video productions regarding each inductee will be shown at the ceremony, and attendees can personally meet the inductees at the autograph session following the banquet.

One of the hallmarks of the Summer Meeting is the opportunity for the NFHS to honor highly deserving individuals with awards. At this year's luncheon and banquet events, 24 individuals will be recognized. Among the awards that will be given, the NFHS will honor 13 individuals with Citations at the Conference Luncheon at 12:15 p.m. on Sunday, June 30. It is the sincere hope of the Massachusetts Interscholastic Athletic Association Host Committee, the Summer Meeting Advisory Committee and the NFHS staff that this conference will be a rewarding and enjoyable experience for all attendees. We extend to you our best wishes for a great week in "The City on a Hill!"

The San Diego Padres vs. Boston Red Sox game tickets have been distributed electronically to the email on file per attendee registration and include a \$50 food, beverage, and/or merchandise credit with each ticket.

Massachusetts Host Committee

Planning a conference with the magnitude of the NFHS Summer Meeting requires many talented and generous individuals, and the Massachusetts Host Committee was extremely helpful in working on various program initiatives. Bob Baldwin, executive director of the Massachusetts Interscholastic Athletic Association, and his staff gave their time and expertise to make this 2024 Summer Meeting a great success. The NFHS thanks the MIAA staff members for their work and dedication to this event.

2024 Summer Meeting Advisory Committee

The Summer Meeting Advisory Committee began the planning process for this conference last August 21-22 during a meeting in Boston. The evaluation summary from the Seattle conference was reviewed, and suggestions were given serious consideration in preparing for this Boston conference. The committee has direct input regarding program format, general session speakers, tours and entertainment, as well as registration information and procedures. We thank the 2024 Summer Meeting Advisory Committee for its hard work and dedication to the NFHS membership.
